U.S. Term Limits Praises Beverly Goldstein for Signing Term Limits Pledge

Washington, D.C. – U.S. Term Limits (USTL), the leader in the national movement to limit terms for elected officials, today praised Ohio U.S. House candidate Beverly Goldstein (District 8) for signing its congressional term limits pledge.

In November of 2014, 14 new U.S. Term Limits pledge signers were elected to Congress – including five new U.S. Senators.

USTL President Philip Blumel commented on Goldstein’s pledge, saying, “It takes courage to stand up the Congressional elite. We need more courageous candidates who are willing to make congressional term limits a top priority in their campaign. That is exactly what Beverly Goldstein is doing by committing to support congressional term limits.”

The U.S. Term Limits Amendment Pledge is provided to every announced candidate for federal office. It reads, “I pledge that as a member of Congress I will cosponsor and vote for the U.S. Term Limits amendment of three (3) House terms and two (2) Senate terms and no longer limit.”

The U.S. Term Limits Constitutional Amendment has been introduced in both the U.S. Senate by Senator David Vitter (R-LA) and the House of Representatives by Representative Matt Salmon (R-AZ).

According to the last nationwide [poll](#) on term limits conducted by Gallup, the issue enjoys wide bi-partisan support. The poll showed that 75% of Americans support congressional term limits.

Gallup’s analysis states, “Republicans and independents are slightly more likely than Democrats to favor term limits; nevertheless, the vast majority of all party groups agree on the issue. Further, Gallup finds no generational differences in support for the proposal.”

Blumel concluded, “The America people can see what is happening in Washington D.C, and they are tired of career politicians forgetting who really put them in office. We are starting to see more candidates come forward, like Beverly Goldstein, who are working to put pressure on career politicians. With their help we will continue to build toward the passage of a term limits amendment.”

The term limits amendment bills would require a two-thirds majority in the House and Senate, and ratification by 38 states in order to become part of the constitution.
