Dear Sheriff Babeu,

People across America are sending a message loud and clear that they are sick of the same old political games and ready for a return to constitutional principles and representative government. I write you today with an opportunity to get on the correct side of this important political debate.

Enclosed with this letter is the U.S. Term Limits Constitutional Amendment Pledge, which has been sent to every major party candidate. By signing this Pledge, you are stating that you will vote for a Constitutional Amendment brought before you that will limit the Congress to three terms in the House and two terms in the Senate. It's only a pledge to support an amendment, and is not a self-limit.

Once you have signed and returned the Pledge to us, we will post your signed Pledge on [www.ustermlimitsamendment.org](http://www.ustermlimitsamendment.org), and publicize to local media your intent to support the U.S. Term Limits Constitutional Amendment.

Term limits has always been a popular issue but never more so than today. According to a recent Gallup poll, 75 percent of voters nationwide support congressional term limits, including 82 percent of Republicans, 65 percent of Democrats and 79 percent of Independents. Polling commissioned by U.S. Term Limits shows national support for term limits on all public officials at 83 percent.

By signing the Pledge and demonstrating your commitment to the enactment of congressional term limits, you will stand with the citizens and voters of your district. Once you have signed the Pledge, please fax it to our office at (248) 232-7848 and then mail the original back to us in the enclosed return envelope.

If you have any questions about the Pledge, or term limits in general, please do not hesitate to contact me at (321) 574-0718.

Best wishes,
