

NEBRASKA TERM LIMITS POLL: EXECUTIVE SUMMARY

US Term Limits survey conducted Dec. 14 through Dec. 18, 2022 by RMG Research Group.
500 Registered Voters in NE participated in the survey.

A large majority (73%) of Nebraska voters favor an amendment imposing term limits on Congress. 68% of voters also say that they would approve of having Nebraska call for an amendment proposing convention to enact congressional terms limits. Additionally, 66% of voters state that they would be more likely to vote for a candidate for state legislature who supports implementing term limits for members of Congress.

Do you approve or disapprove of placing term limits on members of Congress?
