TEXAS TERM LIMITS POLL: EXECUTIVE SUMMARY

US Term Limits survey conducted Dec. 13 - 16, 2022
by RMG Research Group.
500 Registered Voters in TX participated in the survey.

A large majority (71%) of Texas voters favor an amendment imposing term limits on Congress. 70% of voters also say that they would approve of having Texas call for an amendment proposing convention to enact congressional terms limits. Additionally, 66% of voters state that they would be more likely to vote for a candidate for state legislature who supports implementing term limits for members of Congress.

Do you approve or disapprove of placing term limits on members of Congress?

The U.S. Constitution authorizes state legislatures to call for a convention to recommend Constitutional amendments. Two-thirds of states would have to agree before any action could be taken. Would you favor or oppose having Texas call for an amendment proposing convention to enact congressional terms limits?

At present the Texas state legislature does NOT have term limits on itself. If your state legislator voted to place term limits on Congress through an amendment proposing convention, would that make you more likely or less likely to vote for your state legislator?

Methodology

The survey of 500 Registered Voters was conducted for USTL on Dec 13 - 16, 2022. Field work for the survey was conducted by RMG Research, Inc. Certain quotas were applied, and the sample was lightly weighted by gender, age, and race. Likely voters were determined by a screening process within the survey.

The margin of sampling error for the full sample is +/- 4.5 percentage points.
