

**CALIFORNIA CONGRESSIONAL DISTRICT 30
TERM LIMITS POLL: EXECUTIVE SUMMARY**

US Term Limits survey

Conducted September 8-11, 2023

by RMG Research Group.

400 likely primary voters of CA-30 participated in the survey.

A majority (82%) of the voters favor an amendment to the U.S. Constitution that will place term limits on U.S. Senators and U.S. House Representatives. Voters also say that they would be more likely to vote for someone who signed the U.S. Term Limits pledge and that they are more likely to support state lawmakers who help advance congressional term limits.

Q1: Several candidates are running to represent your district in Congress. If the primary election were held today, for whom would you vote?
