## CA13 TERM LIMITS POLL: EXECUTIVE SUMMARY US Term Limits Survey of 300 Likely Primary Voters in CA13

Conducted by RMG Research, November 14-19, 2023

Survey Summary: The results of this recently completed CA13 survey show that CA13 voters overwhelmingly support term limits for members of Congress. Support for term limits is broad across all political and demographic groups. An overwhelming $92 \%$ of the voters approve of an amendment to the U.S. Constitution that will place term limits on U.S. Senators and U.S. House Representatives. Of the respondents who support term limits, $70 \%$ want 6 -years total or less as the limit. They also indicated that they are more likely to support congressional lawmakers who help advance congressional term limits.

Do you favor or oppose term limits for members of Congress?
