

UTAH TERM LIMITS POLL: EXECUTIVE SUMMARY

US Term Limits survey conducted Jan 9-13, 2025 by RMG Research Group.
507 Registered Voters in Utah participated in the survey.

A large majority (85%) of Utah voters approve of placing term limits on Congress. 83% of voters favor having Utah call for an amendment proposing convention to enact congressional term limits. Additionally, 80% of voters state that they would be more likely to vote for a candidate for state legislature who supports implementing term limits for members of Congress.

Do you approve or disapprove of placing term limits on members of Congress?

The U.S. Constitution authorizes state legislatures to call for a convention to recommend Constitutional amendments. Two-thirds of states would have to agree before any action could be taken. Would you favor or oppose having Utah call for an amendment proposing convention to enact congressional term limits?

At present, the Utah state legislature does NOT have term limits on itself. If your state legislator voted to place term limits on Congress through an amendment proposing convention, would that make you more likely or less likely to vote for your state legislator?

Methodology

The survey of 507 registered Utah voters was conducted for USTL on January 9-13. Field work for the survey was conducted by RMG Research, Inc. Certain quotas were applied, and the sample was lightly weighted by gender, age, and race.

The margin of sampling error for the full sample is +/- 4.4 percentage points.
